

*Held the first Friday of each month from 6pm - 9pm from September thru May, the First Friday Art Walk spans fifteen city blocks within Ocala's historic downtown core. The walk includes numerous restaurants, businesses, and open air spaces hosting visual and performing artists. The art walk is the ultimate opportunity to support Ocala's pool of creative talent while enjoying the ambiance of a historic downtown anchored by outstanding restaurants and boutique shops.*

**How can artists participate?**

*Both performing artists and visual artists may participate by completing a registration form and submitting it to the Art Walk Steering Committee. Participation for the entire season is encouraged, but artists may select individual dates to attend. Locations are available to approved artists on a first come, first serve basis. First priority for interior spaces will be given to professional artists and artists who sign up for the entire season. The one-time registration fee is applied towards advertising costs for the event, and will be returned if the registration is not approved. Registration forms may be obtained by visiting:*
