# Employee Benefit Summary 2015-2016

The City of Ocala is pleased to offer a comprehensive benefits program, which allows you to select plans based on your individual needs. This guide is intended to be a tool for you to use to make an informed choice about the benefit plans that best suit you and your family.

This Benefits at a Glance handbook is designed to provide basic information to employees on employee benefit plans and programs available October 1, 2015 — September 30, 2016 through the City of Ocala. It does not detail all of the provisions, restrictions and exclusions of the various benefit programs documented in the carrier contracts or the Summary Plan Descriptions (SPDs). This booklet does not constitute an SPD or Plan Document as defined by the Employee Retirement Income Security Act (ERISA).

## Eligibility & Qualified Life Events

You are eligible to participate in the benefits program if you are a regular full-time employee. For purposes of the medical benefits, you are considered full-time if you normally work a minimum of 30 hours each week. Your medical insurance benefits begin on the first of the month following 30 days of employment. For purposes of all the other employee insurance benefits, you are considered full-time if you normally work a minimum of 40 hours each week.

### **Who is an Eligible Dependent Spouse?**

Your spouse under a legally valid existing marriage.

### **Who is an Eligible Dependent Child under the medical benefit?**

Your natural, newborn, adopted, foster, or step child(ren) (or a child for whom you have been court-appointed as legal guardian or legal custodian) who has not reached the end of the calendar year in which he or she reaches age 30 (or in the case of a foster child, is no longer eligible under the Foster Child Program), regardless of the dependent child's student or marital status, financial dependency on you, whether the dependent child resides with you, or whether the dependent child is eligible for or enrolled in any other group health plan. A dependent child may also remain covered after age 30 provided the child is incapable of self-sustaining employment by reason of mental retardation or physical handicap. (medical documentation required).

Please refer to the specific benefit plan page in this handbook for dependent eligibility for the purposes of all other employee insurance benefits.

### **Changes after Open Enrollment**

Benefits with pre-tax deductions are governed by the IRS code Section 125. This regulation does not allow you to change your benefit selections during the year UNLESS you experience a Qualifying Life Event (QLE). If you experience a QLE, you will have to provide proof of the QLE to the HR & Risk Department.

## Qualifying Life Event (QLE)

All QLEs must be reported within 30 days of the occurrence and documentation is required in order to be eligible to make a change to your benefit enrollments.

### Qualified Life Events Include but are not limited to :

- Marriage, legal separation or divorce
- Birth/adoption/legal guardianship of a child
- Dependent satisfies or ceases to satisfy eligibility requirements
- Spouse’s employer’s Open Enrollment
- Termination of your spouse’s employment
- Unpaid leave of absence
- Change in full or part time status
- Changes due to a judgment, decree or court order
- Entitlement to Medicare or Medicaid
- Enrollment on the Marketplace Exchange

## Section 125 - Pre Tax Benefits

The City of Ocala sponsors a cafeteria plan also known as a Section 125 plan. Medical, dental, vision benefit premiums and FSA contributions are taken out of your paycheck on a pre-tax basis, i.e., before taxes are taken out. Doing so reduces your taxable income thereby decreasing your taxes and increasing your take home pay. With after-tax contributions, just the opposite is true. Premiums are deducted from your pay after Federal and Social Security taxes are calculated and deducted from your gross pay. The chart below shows the tax treatment of the benefits which you elect:

Benefit	Tax Treatment
Medical Coverage	Pre-tax
Dental Coverage	Pre-tax
Vision Coverage	Pre-tax
Basic Life and AD&D Insurance	N/A—paid by the City
Supplemental Life and AD&D Insurance	After-tax
Long Term Disability—Emergency Personnel and All Other Personnel	After-tax
Flexible Spending Accounts	Pre-tax
Allstate Cancer Policy	Pre -tax
USable Accident Policy	After-tax
USable Critical Care Policy	After-tax

## **PAYING FOR YOUR BENEFITS WHILE ON AN APPROVED MEDICAL LEAVE— FMLA OR LEAVE RELATED TO A WORKCOMP INJURY**

Employees eligible for continuation of benefits while on an approved leave are still responsible to pay the same portion of premiums paid prior to the leave.

You may pay your portion of premiums due before starting your leave or you may pay monthly during your leave. Payment is due on or before the first of the month.

Failure to make payments in a timely manner will result in your termination of coverage. You should contact your HR & Risk Management Department to make payment arrangements prior to your leave.

### **Benefit Termination**

Your benefits will terminate on the last day of the month you elect not to participate in the plan, or cease to be a benefits eligible employee. The only exception to this rule is the Life Insurance coverage.

The Consolidated Budget Reconciliation Act (COBRA) provides insured employees and their qualified beneficiaries the opportunity to continue health, dental and vision insurance coverage when a “qualifying event” would normally result in the loss of coverage eligibility.

The City’s Cobra Administrator, TASC, will provide you with the cost and information necessary to make your cobra elections.

# MEDICAL PLANS

## **BlueOptions™ PPO:**

Your Florida Blue BlueOptions™ PPO health insurance policy offers members the freedom to choose any doctor and hospital for care. However, you can maximize your benefits and free yourself from claims filing and balance billing by choosing physicians and providers who participate in the Blue Options provider network.

In the pursuit of health®

## **The BlueCard® Program for BlueOptions (PPO) Members:**

BlueOptions™ gives you the freedom of knowing you're covered no matter where you go in the U.S. If you have a child attending school outside the state, or if you're traveling throughout the U.S. on business or pleasure, the BlueCard® Program allows your benefits to travel with you. If you or a family member become ill when outside the state of Florida, just call 1-800-810-BLUE (2583) for the name of a participating BlueCard PPO provider. When you arrive at the facility, simply show your Florida Blue ID card and you'll receive the same health care coverage you enjoy at home. You won't have any claims to file or billing hassles down the road. Simply pay the appropriate deductible, co-payment or coinsurance at the time of service.

## **Co-payment:**

A flat dollar amount that you pay for certain services and prescription drug services, regardless of the actual amount charged by your doctor or another provider.

## **Deductible:**

The amount you pay toward medical expenses each calendar year before the plan begins sharing in the cost of certain benefits.

## **Co-insurance:**

The percentage split of the covered charge shared by you and the insurance carrier that is paid after you've met the deductible. For example: 80% paid by the insurance carrier, 20% paid by you once the deductible has been satisfied.

## **Out-of-Pocket Maximum:**

The maximum amount you will pay for health care costs in a calendar year. Once you have paid the out-of-pocket maximum, consisting of your deductible, coinsurance and certain co-payments, the plan will cover the remaining eligible medical expenses at 100% for the rest of the calendar year.

## **How to Locate Participating Providers:**

## **HEALTHY ADDITION PRENATAL EDUCATION PROGRAM**

Healthy Addition is Florida Blue's prenatal education and early intervention program. It is designed to educate pregnant employees or eligible spouses about the appropriate prenatal care. Under this voluntary program, trained nurses will screen pregnant employees or eligible spouses for potential risk factors and assist in the development of a personalized educational and monitoring program. To participate in the Healthy Addition program, call Florida Blue customer service at 1-877-352-2583. A member of the prenatal nursing team will contact you or your spouse to begin helping you with your new family addition.

## **MEDICAL CASE MANAGEMENT PROGRAM**

Through this program, Florida Blue helps coordinate alternative treatments when a covered person is faced with a serious or complicated medical condition. These alternative treatments may include services that are not usually covered by this health insurance plan.

The medical case management program is voluntary. A Healthcare professional will review the case with the patient's family and doctor and, if appropriate, suggest an alternative treatment plan. The patient and the patient's doctor must agree to the suggested treatment plan.

If the patient's alternative treatment plan is approved by Florida Blue, recommended services will be paid at 100% of the charge negotiated by Florida Blue.

The case management alternative treatment plan will end if:

- The patient's condition changes and the level of care provided under case management is no longer necessary.
- The case management approach costs more than traditional benefits.
- The patient is no longer eligible to take part in this health insurance plan.

## Common Questions... Important Answers

**How do I find a participating dentist?** There are thousands of general dentists and specialists to choose from nationwide – so you are sure to find one who meets your needs. You can receive a list of these participating dentists online at [www.metlife.com](http://www.metlife.com) or call 1-800-942-0854 to have a list faxed or mailed to you.

**May I choose a non-participating dentist?** Yes. You are always free to select the dentist of your choice. However, if you choose a non-participating dentist, your out-of-pocket costs may be higher. He or she hasn't agreed to accept negotiated fees. So you may be responsible for any difference in cost between the dentist's fee and your plan's benefit payment.

**Can I find out what my out-of-pocket expenses will be before receiving a service?** Yes. You can ask for a pretreatment estimate. Your general dentist or specialist usually sends MetLife a plan for your care and requests an estimate of benefits. The estimate helps you prepare for the cost of dental services. We recommend that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at [www.metdental.com](http://www.metdental.com) or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you are still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

## Life and AD&D

The City of Ocala provides each benefit eligible employee free of cost to you, Basic Life Insurance coverage equal to one times your annual salary and Accidental Death and Dismemberment (AD&D) coverage equal to one times your annual salary plus \$10,000.

This coverage is placed with VOYA Financial, the new name of the prior ING affiliate.

## Supplemental Term Life

Employees have the option to purchase additional life insurance in increments of \$10,000 up to a maximum of \$150,000. Dependent life may also be purchased in the amount of \$10,000 for your spouse and/or children. See more details and rates on the following pages.

## Guarantee Issue for New Hires

New hires can elect up to \$70,000 without providing proof of good health during their initial eligibility period. If you do not elect to purchase the employee supplemental life or dependent life as a new hire, you will have the opportunity at the annual open enrollment period. However, you will need to complete an Evidence of Insurability (medical questionnaire) form and apply for the coverage.

To apply for additional employee or dependent life you must complete an Evidence of Insurability (medical questionnaire) form. This form is available on the BenTek system during enrollment. VOYA Financial (ReliaStar Life) will review and approve or deny coverage. Once approved, you will be notified of the effective date and your premium will begin through payroll deduction.

**VOYA Financial is offering to existing employees currently enrolled in the supplemental life the opportunity to purchase an additional \$10,000 of coverage on themselves, without the completion of a medical questionnaire, if the current coverage is below the \$70,000 Guarantee Issue level of coverage.**

Please note: Now it a great time to update your beneficiary information!

You may purchase an individual life policy, but not term life, as offered by ReliaStar Life. The new policy must provide for a level amount of insurance and have premiums at least equal to those of ReliaStar Life's whole life plan with the lowest premium. The new insurance you convert to will not include Accidental Death & Dismemberment.

Note: You may convert this insurance by applying and paying the first premium for an individual policy **within 31 days** after your insurance stops. ReliaStar Life will supply you with a conversion form to complete and return to them. Please contact them at the number on the last page of this booklet.

## Supplemental Term Life—Conversion and Portability Rights

You and your insured dependents with Supplemental Term Life have the same conversion rights as noted above. Additionally, you can apply to continue your terminated Supplemental Life Insurance until age 70 if certain conditions are met. You may also elect to decrease your ported coverage. However, you are not allowed to increase your ported coverage.

Note: You must apply for portability **within 31 days** of the date your insurance terminated due to the following:

- you terminate employment with The City of Ocala, and coverage is in effect for active employees;
- The City of Ocala terminated Supplemental Life Insurance for active employees and does not replace it with a similar life insurance plan;
- You are no longer eligible for Supplemental Life Insurance

ReliaStar Life will supply you with the information necessary to port your coverage.

Please contact ReliaStar Life for any questions or for making application for conversion or portability

# SUPPLEMENTAL LIFE BENEFITS

## Take advantage of insurance offered at your workplace. Its convenient and affordable.

Life Insurance provides basic protection for your loved one if something happens to you. While many U.S. households have life insurance, the average amount of coverage is often inadequate to meet family needs or pay off debt. Taking advantage of life insurance coverage offered by VOYA Financial, ReliaStar Life, can be an important part of your financial security.

The City of Ocala provides you with Basic Life Insurance coverage and Accidental Death and Dismemberment Insurance. Eligible employees may apply for more coverage in the Supplemental Group Term Life Insurance program.

### Your Life Insurance Benefits include:

**Convenient Payroll DEDUCTIONS** - Since deductions are taken directly from your paycheck, you never have to worry about late payments or lapse notices.

**“Take it With You”** - The portability option allows for continued coverage that can help protect your family even when your current employment ends.

**Waiver of Premium** - If you become totally disabled, your life insurance premium may be waived if you satisfy certain conditions as defined by the policy.

**Accelerated BENEFIT** - You may collect a portion of your death benefit (typically 50%) while you are living, if you are diagnosed with a terminal condition with a limited life expectancy under twelve months (may vary by state).

# VOLUNTARY LONG TERM DISABILITY

**One Time Opportunity For Open Enrollment 2015-2016: MetLife is offering to all eligible employees the opportunity to purchase long term disability, without the completion of a medical questionnaire.**

## What is Long-Term Disability Insurance?

Long-Term Disability (LTD) insurance can help replace a portion of your income if you are unable to work for an extended period of time due to sickness or accidental injury. It helps to provide the day to day peace of mind that comes from knowing that, during the time you would be recovering from a significant event in your life, you may not have to shoulder the additional burden of wondering how you're going to pay for the things that would still have to be paid for.

## Why Should I Consider LTD Insurance?

You may have already purchased home, auto and life insurance to protect yourself against the threat of loss. And, you may already have health insurance to protect you against the cost of medical bills. But, have you protected one of your most valuable assets—your ability to work and earn a living?

Your employer recognizes the need for you to protect your ability to earn an income and is offering you the opportunity to enroll in Long term Disability insurance coverage from MetLife. The plan is being made available to you with the convenience of payroll deduction so you don't have to worry about mailing monthly payments.

## Eligibility Requirements and Rates:

All active full-time **Police, Fire and EMT Employees** working at least 40 hours per week are eligible to participate and the rates are listed as **EMERGENCY PERSONNEL**.

All **Active full-time employees, exclusive of Policy, Fire and EMT**, employees working at least 40 hours per week are eligible to participate and the rates are listed as **NON EMERGENCY PERSONNEL**.

**Rates are on the following page. Please refer to the correct chart for your classification as an Emergency Personnel or Non-Emergency Personnel.**

## How is “Disability” Defined Under the Plan?

Generally you are considered disabled and eligible for long term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of the treatment and you are unable to earn more than 60% of your pre-disability earnings from any employer in your local economy at any gainful occupation for which you are reasonably qualified taking into account your training, education and experience.

## What is the benefit amount?

The benefit amount is 60% for your pre-disability earnings up to a maximum of \$10,000.

## When do benefits begin and how long do they continue?

Benefits begin after the end of the elimination period (EP).

The elimination period begins on the day you become disabled and is the length of time you must wait, while disabled, before you are eligible to receive a benefit. The elimination period is determined by your election. You may choose from 30,60,90, or 180 days towards the elimination period.

**For a complete description of this and other requirements that must be met, and additional disability plan benefits, refer to MetLife's Certificate of Coverage provided by The City of Ocala.**

**Monthly Premiums for Long Term Disability**

1. To determine your premium, refer to the chart below (either emergency personnel or non-emergency personnel) for the rates per \$100 of covered monthly salary, then select your age banded rate.

2. Complete the following premium calculation worksheet:

Monthly Premium Calculation Worksheet:	
<b>A. Annual Earnings =</b> <i>PLEASE NOTE: If your annual earnings exceed \$200,000, the premium is based on \$200,000, due to the maximum benefit cap. Use \$200,000 in this calculation.</i>	\$
<b>B. Monthly Earnings =</b> <i>("A" divided by 12)</i>	\$

Due to rounding, your actual payroll deducted premium amount may vary slightly.

## Long Term Disability Frequently Asked Questions:

### Q. Are my benefits taxable?

Since you pay your premiums with after-tax dollars, your benefit in the event of an approved disability is tax free.

### Q. Can I return to work part-time and still receive a benefit?

Yes. As long as you are disabled and meet the terms of your disability plan, you may qualify for adjusted disability benefits. Your plan offers financial and rehabilitation incentives designed to help you return to work, even on a part-time basis when you participate in an approved Rehabilitation Program. While disabled, you may receive up to 100% of your pre-disability earnings when combining benefits, Rehabilitation Incentives, other income sources such as Social Security Disability Benefits and part-time earnings. With the **Rehabilitation Incentive** you can get a 10% increase in your monthly benefit. You may be eligible for the **Moving Expense Incentive** if you incur expenses in order to move to a new residence recommended as a part of the Rehabilitation Program. Expenses must be approved in advance. The **Family Care Incentive** provides reimbursement up to \$400 per month for eligible expenses, such as child care, during the first 24 months of disability.

### Q. If I didn't purchase coverage at a prior date, can I still purchase coverage during open enrollment?

**Yes. As one time opportunity for open enrollment 2015-2016: MetLife is offering to all eligible employees the opportunity to purchase long term disability, without the completion of a medical questionnaire.**

# FLEXIBLE SPENDING ACCOUNTS

## The TASC FlexSystem

MEDICAL FLEXIBLE SPENDING ACCOUNT  
DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT

**How FlexSystem Works**—FlexSystem FSA is administered by TASC (Total Administrative Services Corporation). When you choose to enroll in the Healthcare (Medical) and /or Dependent Care FSA, you choose the dollar amount you want to contribute to each account based on your estimated expenses for the upcoming plan year. Employee salary deductions to the medical FSA are limited to \$2,550 and for the dependent care FSA are limited to \$5,000 for the plan year. These are taken out on a pre-tax basis from your paycheck.

***Enrollment is only during the annual open enrollment.  
The TASC DEBIT/VISA Card does not have an annual fee.***

**Reimbursement and the TASC Card** - As you incur eligible expenses, simply swipe your TASC Card. The card automatically pays for and substantiates most eligible expenses at the point of purchase. If you do not use the TASC Card to pay for an eligible expense simply submit a request for reimbursement via one of the following: the My TASC Mobile App, online Request for Reimbursement Wizard in MyTASC, text message, fax or mail.

Your reimbursement is deposited in your MyCash account. You can access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts major credit cards, (2) withdraw at an ATM using your TASC Card (with PIN), or (3) transfer to a personal bank account from MyCash Manager within MyTASC.

You may also call TASC at 1-800-422-4661 and provide your personal bank routing number and account number to authorize TASC to directly reimburse into your personal bank account. This feature is also available online with a one time set-up through MyCash Manager.

**Multiple Methods for Account Management** -You may use any of the following self-service options to access your FlexSystem accounts and TASC Card transactions:

- **MyTASC Online:** [www.tasconline.com](http://www.tasconline.com)
- **MyCash Manager:** within MyTASC at [www.tasconline.com](http://www.tasconline.com)
- **MyTASC Mobile App:** free download at [www.tasconline.com/mobile](http://www.tasconline.com/mobile)
- **MyTASC Text Messaging :** elect through your MyTASC account online

### **Medical FSA \$500 Carryover**

It is important to be conservative in making elections because any unused funds left in your FSA at the close of the Plan Year are not refundable to you. The exception is a \$500 carryover which is now available starting with the 2014-2015 Plan Year. You may carryover up to \$500 from year to year with no cost or penalty.

Please visit [www.tasconline.com](http://www.tasconline.com) for questions on TASC Card issuance, Card Funding, Account Management, Using Your TASC Card, Fees , and Card Operations.

## DEPENDENT CARE FSA

The TASC dependent care flexible spending account allows you to have **money deducted** from your paycheck **before taxes** and placed in your MyCash account. Please refer to the preceding page on Cash Management options and reimbursement. *After you have accumulated the necessary funds in your dependent care account, you will be reimbursed for dependent care expenses (daycare, extended day, senior care).*

Enrollment is only during the annual open enrollment period.

### Special Rules - 3 Important Rules Apply To Flexible Spending Accounts:

#### **1. The status change rule:**

Once enrolled you can only change your deduction during the plan year (October 1—September 30) if you have a family status change event and make the request within 30 days of the event.

#### **2. Front end load on the Medical spending account:**

*Unlike the dependent care FSA, this feature is unique to the healthcare (medical ) spending account. The amount you choose to contribute to your medical spending account for the plan year, will be “front loaded” at the beginning of the plan year. This means you will be reimbursed up to your annual amount at any time during the plan year regardless of the actual balance in your medical spending account (not to exceed your annual amount).*

For example: If you elect \$520.00 for the year and two months into the plan year you have an eligible expense of \$520.00, you have access to the total \$520.00 even though you have only contributed for two months and have \$80.00 in your account. Your account will show a negative balance which you will pay back each pay period from the deductions to your account. This rule does not apply to the Dependent Care account where you may only be reimbursed up to your actual account balance.

#### **3. The use it or lose it rule:**

Only allocate funds you know you and your dependents will spend. Any unused amounts in your account at the end of the plan year, except the \$500 carryover in the medical FSA, are forfeited to The City of Ocala.

Please see the preceding page on the \$500 carryover.

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

## **PART A: General Information**

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

### **What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### **Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### **Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### **How Can I Get More Information?**

For more information about your coverage offered by your employer, please check your summary plan description or contact your Human Resources Department.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

<b>3. Employer Name</b> City of Ocala	<b>4. Employer Identification Number (EIN)</b> 59-6000392

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. City of Ocala has determined that the prescription drug coverage offered by Florida Blue is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

---

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Ocala coverage will be affected. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will not be eligible to receive all of your current health and prescription drug benefits.

Florida Blue administers the group health coverage available to City of Ocala employees, retirees and dependents. The included prescription drug benefit provides:

	<b>Network</b>	<b>Non-Network</b>	<b>Mail Order</b>
<b>Tier 1</b>	<b>\$10</b>	<b>50% Coinsurance</b>	<b>\$20</b>
<b>Tier 2</b>	<b>\$100 Deductible + \$30</b>	<b>\$100 Deductible + 50% Coinsurance</b>	<b>\$100 Deductible + \$60</b>
<b>Tier 3</b>	<b>\$100 Deductible + \$45</b>	<b>\$100 Deductible + 50% Coinsurance</b>	<b>\$100 Deductible + \$90</b>

If you do decide to join a Medicare drug plan and drop your current City of Ocala coverage, be aware that you and your dependents will not be able to get this coverage back.

**When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?** You should also know that if you drop or lose your current coverage with City of Ocala and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

# IMPORTANT NOTICES FOR PLAN PARTICIPANTS

**HIPAA Special Enrollment Rights** – If you are declining enrollment for yourself or your dependents (including you spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, a special enrollment period provision is added to comply with the requirements of the Children's Health Insurance Program Reauthorization Act (CHIPRA) of 2009. If you or a dependent is covered under a Medicaid or CHIP plan and coverage is terminated as a result of the loss of eligibility for Medicaid or CHIP coverage, you may be able to enroll yourself and/or your dependent(s). However, you must enroll within 60 days after the date eligibility is lost. If you or a dependent becomes eligible for premium assistance under an applicable State Medicaid or CHIP plan to purchase coverage under the group health plan, you may be able to enroll yourself and/or your dependent(s). However, you must enroll within 60 days after you or your dependent is determined to be eligible for State premium assistance. Please note that premium assistance is not available in all states.

**Medicaid and the Children's Health Insurance Program** - If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their premiums. If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan. Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan—as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

**Michelle's Law** – The law allows for continued coverage for dependent children who are covered under your group health plan as a student if they lose their student status because of a medically necessary leave of absence from school. This law applies to medically necessary leaves of absence that begin on or after January 1, 2010.

If your child is no longer a student, as defined in your Certificate of Coverage, because he or she is on a medically necessary leave of absence, your child may continue to be covered under the plan for up to one year from the beginning of the leave of absence. This continued coverage applies if your child was (1) covered under the plan and (2) enrolled as a student at a post-secondary educational institution (includes colleges, universities, some trade schools and certain other post-secondary institutions).

Your employer will require a written certification from the child's physician that states that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary.

# IMPORTANT NOTICES FOR PLAN PARTICIPANTS

**Section 111** – Effective January 1, 2009 Group Health Plans are required by Federal government to comply with Section 111 of the Medicare, Medicaid, and SCHIP Extension of 2007's new Medicare Secondary Payer regulations. The mandate is designed to assist in establishing financial liability of claim assignments. In other words, it will help establish who pays first. The mandate requires Group Health Plans to collect additional information, more specifically Social Security Numbers for all enrollees, including dependents six months of age or older. Please be prepared to provide this information on your Benefit Enrollment Form when enrolling into benefits.

**Women's Health and Cancer Rights Act of 1998** – The medical plans provide benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prosthesis, and complications resulting from a mastectomy, including lymph edema.

**Important Notice About Your Prescription Drug Coverage and Medicare** – This notice has information about current prescription drug coverage with Brown & Brown, Inc. and about options under Medicare's Part D prescription drug coverage. The information can help individuals eligible for Part D decide whether or not to join a Medicare drug plan. Prior to November 15th, a Medicare Part D Notice will be mailed to your home providing details and creditable coverage information.

**Notice of Privacy Practices**—This notice describes the medical information practices of all the group health plans (collectively, the "Plan") maintained by Brown & Brown, Inc. (the "Plan Sponsor") and that of any third party that assists in the administration of Plan claims. The Plan has been amended to incorporate the requirements of this notice. We understand that medical information about you and your health is personal. We are committed to protecting medical information about you. This notice applies to all of the medical records we maintain. Your personal doctor or health care provider may have different policies or notices regarding the use and disclosure of your medical information created in the doctor's office or health provider's facility. This notice will tell you about the ways in which we may use and disclose medical information about you. It also describes our obligations and your rights regarding the use and disclosure of medical information.

We are required by law to:

- Make sure that medical information that identifies you is kept private;
