

<p>MAINTENANCE AND LITTER REMOVAL AGREEMENT</p>	<p>CITY OF OCALA ADOPT-A-STREET PROGRAM</p>		<p>Department of Public Works Street Division 1805 NE 30th Avenue Ocala, FL 34470 352-351-6733 352-351-6731 fax</p>
--	--	--	---

1. Interested sponsoring organizations or groups should contact the City of Ocala Public Works Department for the Maintenance and Litter Removal Application, Guidelines and Agreement.
2. The application shall be signed and returned to the Public Works Department for review and approval. The Public Works Department must be notified of the location and name of the sponsoring organization before the signs are installed.
3. The Public Works Department shall maintain a list of locations readily eligible for adoption. The department has many locations throughout the city such as grassy islands, turn arounds, rights-of-way, medians, cemeteries, and properties with park like atmospheres, which are considered adoptable by a civic group or organization. The department believes that with the help and assistance of our citizens, many of these areas can be further beautified and enhanced with some minor extra attention and focus. The sponsoring organization may request approval of streets not on the approved list; however, the proposed location must be within the city limits.
4. This Agreement shall remain in effect for **two years**; maintenance and litter removal is to be performed a minimum of four times a year. Any violation of this Agreement will result in the removal of the organization's signs. One of the maintenance services will be during the Mayor's Annual Spring Clean-Up. Upon receipt of the properly executed Agreement, a mandatory meeting will be held between the Public Works Infrastructure Maintenance Division Head or designee and the sponsoring group.
5. The Public Works Department will have Adopt-A-Street signs available. Following the meeting between the Public Works Infrastructure Maintenance Division Head or designee and the sponsoring group, the sign chosen will be erected on the adopted location street. The sign will be fabricated and installed by the City.
6. The Public Works Infrastructure Maintenance Division Head (351-6733) is your contact person and will coordinate the group's activities and will provide the following items for you to use:

Safety vests (mandatory)
Gloves
Bags

Make up dates due to rain will be approved by the Public Works Department only.

7. Specific agreement details, scope and level of work to be performed can be discussed and agreed upon at time of application. It is the intention that the adopting group or organization will perform such clean up and duties as; litter control, tire round up and general upkeep of the area.

NOTE: YOU MUST CONTACT THE PUBLIC WORKS INFRASTRUCTURE MAINTENANCE DIVISION HEAD two (2) weeks prior to any planned activity whether your group wishes to use the City's equipment or not.

8. A City permit is not necessary. **IT IS YOUR RESPONSIBILITY TO CONTACT THE PUBLIC WORKS Infrastructure Maintenance Division Head (351-6733 TO ARRANGE YOUR LITTER REMOVAL SCHEDULE BECAUSE;**

- The Infrastructure Maintenance Division Head documents your group's activities, and
- To avoid conflicts with any City activity in that area.

9. This Agreement is for maintenance and litter removal activities only.

10. The sponsoring group covenants and agrees that it will indemnify and hold harmless the City of Ocala, and the Department of Public Works, any maintaining agencies, and all of their officers, agents, and employees from any claim, loss, damage, cost, charge or expense arising out of any act, action, neglect or omission by the group during their performance of the Agreement, whether direct or indirect, and whether to any person or property to which the Department of said parties may be liable to persons or property directly caused or resulting from the sole negligence of the Department, the City of Ocala and its member agencies, any maintaining agencies, and all their officers, employees or agents.

11. The Public Works Director shall decide all questions, difficulties, and disputes of any nature whatsoever that may arise under or by reason of this Agreement, character, quality, amount and value thereof, and the Director's decisions on all claims, questions and disputes shall be final and conclusive upon the parties hereto.

12. It is understood that if the sponsoring group fails to remove litter a minimum of four times and support the Mayor's Spring Clean-Up, the organization or group may risk having the Adopt-A-Street sign removed.

13. Important names and numbers:

Program Coordinator	Ron Lirot	351-6733
Infrastructure Maintenance Division Head	Tom Casey	351-6733

---	---	--	--

The City of Ocala Public Works Department has revised the Adopt-A-Street program process to be user friendly for the citizens of Ocala. This revision of the process will be cost effective for the City, and keep the Public Works Department informed of the progress of the program.

The process for the Adopt-A-Street Program is as follows:

1. A group representative shall pick up an application and information packet from the City's Public Works Department, located at 1805 NE 30th Avenue, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.
2. The applying group shall select a street or location from the existing listed roadways the City's Public Works Department has recommended. The list of available locations to be adopted will be included in the application information packets. The City's Public Works Department updates the list annually.
3. The applying group shall return the completed application to the City's Public Works Department. An officer of the group must sign the application and the Terms Of Agreement.
4. Upon receipt of the signed document, the City's Public Works Department will be notified. The City's Public Works Department will set up a meeting with the applicant to go over the safety issues, safety equipment, trash pick up, who to call prior to the group beginning work, and other related information.
5. Upon receipt of notification from the City's Public Works Department that the meeting with the applicant has taken place, the City's Public Works Department will present the group agreement to the Public Works Director and the full Commission for final approval.
6. After the Public Works Director approves the applicant's Adopt-A-Street Agreement, the applicant will be notified by the City's Public Works Department of the approval, and a sign will be installed.

SAFETY GUIDELINES	CITY OF OCALA ADOPT-A-STREET PROGRAM	 <p>The seal of the City of Ocala, Marion County, Florida. Two stars are positioned on either side of the central illustration.</p>	Department of Public Works Street Division 1805 NE 30th Avenue Ocala, FL 34470 352-351-6733 352-351-6731 fax
------------------------------	---	---	--

The following guidelines have been adapted through cooperation between the Florida Department of Transportation, Marion County Department of Litter Removal, and the City of Ocala.

1. No horseplay of any type will be tolerated.
2. No intoxicating beverages or illegal drugs will be allowed.
3. All litter removal will take place from 9:00 a.m. to 4:00 p.m., and only during good weather.
4. Participants will wear gloves, good quality protective shoes (no open toed shoes, sandals, flip-flops, shower shoes, reef-walkers, etc.), and light or bright colored clothing; safety vests shall be worn as provided by the City of Ocala Public Works Department.
5. Only allow such persons to participate as are determined by the group to be responsible enough to safely participate in the litter removal activities. Participating youths must be at least 12 years of age, and the group shall provide at least one adult supervisor for every 5 youths (between the ages of 12 and 15) who are participating in the litter removal activity.
6. An adequate supply of drinking water shall be readily available.
7. Carpool to the adopted street to keep the number of cars to a minimum.
8. Participants should work facing traffic whenever possible and work on one side of the street at a time. Litter is not to be picked up from tunnels, medians, or bridges.
9. Avoid suspected toxic/hazardous substances and be able to identify and avoid poison ivy, poison oak, etc.*

IN CASE OF EMERGENCY

1. Every crew should have an adequate first aid kit.
2. Know the route from the work site to the nearest emergency care facility or hospital in case of serious injury.
3. Have transportation immediately available.

***To be covered in every safety meeting.**
