## Rebate Requirements:

- Please refer to the Energy Efficiency Rebate Policy below for complete details.
- The Freezer must be an ENERGY STAR® qualified freezer. **Model number must be currently listed on Energy Star website, [www.energystar.gov](http://www.energystar.gov)**
- Proof of removal or disposal of old freezer is required.

## Energy Efficiency Rebate Policy:

### Section 1. Overview

Ocala Electric Utility offers conditional rebates to qualifying customers as an incentive to install qualifying ENERGY STAR® equipment and/or appliances (referred to in this Policy as “Qualifying Energy Efficient Equipment”). Customers benefit from Qualifying Equipment through utility bill savings and sound environmental stewardship; Ocala Utility Services benefits by reducing its peak demand and reliance on power production from fossil fuels.

### Section 2. Program Eligibility Criteria and Requirements

The following criteria and requirements must be met for a customer to be deemed eligible for a rebate.

#### 2.01. Eligible Participants

- Only residential retail electric customers of record may qualify for a rebate.
- For Existing Homes – Does not apply to New Construction
- The Qualifying Energy Efficient Equipment must be located on the customer’s premises, and within Ocala Electric Utility service territory, and must receive retail electric service from Ocala Electric Utility.

#### 2.02. Qualifying Energy Efficient Equipment

- The following provides the equipment and appliances that qualify for a rebate; the rebate amount; and the limit on the number of rebates per customer:
  - ENERGY STAR® Freezer
    - Rebate Amount: \$75 **Rebate based on Date of Purchase**
    - Limit one per customer account

##### 2.02.1. Application

- An application for a rebate must be completed and approved by Ocala Electric Utility.
- A copy of the proof of purchase by customer must be attached and mailed to Ocala Electric Utility within 90 days of purchase. The proof of purchase must include the customer name, address, and date of purchase.
- Documentation of removal or disposal of old freezer must be submitted with Rebate Request form.

## Energy Efficiency Rebate Policy - *continued*

### 2.03 Additional Terms; Rebate Credit

- Ocala Electric Utility reserves the right to
  - Withhold payment of any rebate until any identified problems with the applications are resolved.
  - Terminate this rebate in whole or in part due to the recipient's failure to fulfill the terms and conditions in this document, or due to non-appropriation of necessary funds.
  - Alter the rebate program at any time and without notice to customer.
- All rebates are subject to funding availability. Ocala Electric Utility may cancel a rebate at any time prior to payment, without notice, due to lack of available funds.
- Rebates may take up to 4 weeks to process.
- Rebates will be paid in the form of a credit on the customer's energy bill. In no event shall any rebate credit on a monthly customer bill exceed the amount owed by customer. In the event that a qualifying customer is in default of any payment obligations to Ocala Electric Utility may, in its sole discretion, apply the rebate as a credit against such default amounts.

### 2.03. Limit of Liability; Indemnification

- In no way shall Ocala Electric Utility be liable for, and Customer hereby agrees to indemnify, defend and hold harmless Ocala Electric Utility, its subsidiaries or affiliates, and their respective employees, officers and directors, from and against any and all liability, loss, damage, cost or expense, including attorney's fees, that may be caused by, due to, occasioned by, or otherwise arising out of the installation, operation, miss-operation, or use of Customer's Qualifying Energy Efficient Equipment.
- Customer acknowledges and agrees that in no event shall any statement, representation, or lack thereof, either express or implied, by Utility, relieve the Customer of exclusive responsibility for the Customer's system. Specifically, Ocala Electric Utility approval of the rebate application, payment of the rebate, or any Ocala Electric Utility inspection of the Qualifying Energy Efficient Equipment shall not be construed as confirming or endorsing the Equipment design or its operating or maintenance procedures nor as a warranty or guarantee as to the safety, reliability, or durability of the Qualifying Energy Efficient Equipment.

### 2.04. Renewable Energy Credits; Green Attributes

- By participating in this program, customer agrees that Ocala Electric Utility shall have the sole right to obtain and retain ownership of, and to qualify for and receive the full benefit of, any and all existing and future credits, certificates, benefits, environmental attributes, emissions reductions, offsets and/or allowances, however entitled, attributable to the purchase, installation and/or operation of the Qualifying Energy Efficient Equipment.
