FACE COVERING REQUIRED

BEFORE ENTERING THIS BUILDING

Per Ordinance No. 2020-55

The City of Ocala requires a face covering be worn, covering nose and mouth, in indoor spaces where distancing is not possible to stop the spread of COVID-19.

Mandatory Requirements:

- Post signage, in a visible and front-facing location, notifying all persons of the requirement to wear a face covering before entering the premises
- If a public address system is available, verbally announce the face covering requirements periodically
- Require each employee who is not exempt from the requirement under subsection (4)(b) of the Emergency Ordinance to wear a face covering while inside the business establishment
- To view the ordinance in full, including a list of exemptions, please visit our website using the QR code.
