ORDINANCE NO. 2020-55

AN EMERGENCY ORDINANCE OF THE CITY OF OCALA, FLORIDA, REQUIRING PROPRIETORS OF BUSINESS ESTABLISHMENTS TO POST SIGNAGE, MAKE ANNOUNCEMENTS, AND REQUIRE NON-EXEMPT EMPLOYEES TO WEAR FACE COVERINGS IN ORDER TO CONTROL THE SPREAD OF COVID-19; PROVIDING FOR PENALTIES AND ENFORCEMENT; REPEALING AND REPLACING ORDINANCE NO. 2020-47; PROVIDING FOR APPLICABILITY AND CONFLICT; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS:

A. Pursuant to §166.041(3)(b), Florida Statutes, and Section 2.14 of the City Charter, the City Council ("Council") of the City of Ocala, Florida ("City") is granted the authority to adopt emergency ordinances to promote life, health, property or public peace.

C. Council shares the desire to protect the public health, welfare, and safety due to the threat of COVID-19 through measures such as those set forth in Executive Orders and guidance issued by the Governor of the State of Florida and President of the United States in a manner that does not place an excessive burden on individuals, commercial establishments and small businesses operating within the City.

D. COVID-19 is spread through airborne transmission from individuals sneezing, speaking, and coughing, from which infectious droplet nuclei can spread for a great distance.

E. The use of face coverings has been identified as one of the primary means to prevent individuals who may be infected with COVID-19 from spreading it to other individuals.

F. To reduce the spread of disease, the Centers for Disease Control ("CDC") recommends the use of cloth face coverings in public settings where other social distancing measures are difficult to maintain since many individuals with no symptoms can spread the virus, and even individuals who develop symptoms can transmit the virus to others before showing symptoms.

G. On June 22, 2020, pursuant to Section 381.00315(1), Florida Statutes, the State Surgeon General/State Health Officer issued a public health advisory which advised all persons in Florida, with certain enumerated exceptions, wear face coverings in any setting where social distancing is not possible.

H. On June 30, 2020, Coronavirus Task Force member Dr. Anthony Fauci provided testimony to Congress regarding the surge in COVID-19 cases and, along with the director of the CDC, urged all citizens to wear face coverings to slow the spread of COVID-19.

I. The re-opening of the State in general, and the City of Ocala in particular, while necessary for economic and social well-being of the residents and community as a whole, has led to more contact between individuals and a marked increase in the community spread of COVID-19.
J. Despite mitigation efforts, the number of confirmed cases of COVID-19 has been spiking both in Florida and in Marion County, and although there is increased testing, the positivity rate has also been trending higher, indicating increased spread and transmission of the disease.

K. Federal and State health officials have indicated that they expect additional cases of COVID-19 to be identified in the coming days and based on the highly contagious nature of COVID-19, additional transmission is likely.

L. Cloth face coverings are relatively inexpensive and readily available as the CDC states that they can be made from household items and provides online guidance for making “do-it-yourself” coverings for people who cannot or do not want to buy one or otherwise cannot obtain a free face covering.

M. Free face coverings are available to the public at various locations in the City of Ocala and throughout Marion County.

N. Adopting face covering requirements via ordinance, as opposed to local emergency powers, permits enforcement through civil citations and fines instead of criminal prosecution as a second-degree misdemeanor.

O. On August 12, 2020, Council determined that an emergency exists, overriding a mayoral veto and adopting Emergency Ordinance 2020-47, which was intended to mitigate the continued spread of COVID-19.

P. Council now desires to repeal and replace Emergency Ordinance 2020-47 as set forth herein.

Q. The upcoming regular Council meetings do not provide adequate time to adopt this Ordinance under the ordinary adoption process.

R. Council hereby waives notice of intent to consider this Ordinance.

NOW THEREFORE BE IT ORDAINED by the City Council of the City of Ocala, Florida as follows:

Section 1. Legislative Findings and Intent. The above stated recitals to this Ordinance are hereby incorporated into this Ordinance and serve as the legislative intent supporting this Ordinance.

Section 2. Emergency Enactment. Pursuant to State law and the City’s Charter, and based on the legislative findings set forth herein, it is declared that an emergency exists requiring immediate action by the Council.

Section 3. Definitions.

(a) Face Covering. A “face covering” is a material that covers the nose and mouth and that fits snugly against the sides of the face so there are no gaps. It can be secured to the head with ties or straps or simply wrapped around the lower face. It can be made of a variety of materials, such as cotton, silk or linen. Coverings with materials made of multiple layers is highly encouraged. A cloth face covering may be factory-made or sewn by hand, or the cloth face covering can be improvised from household items. The CDC has posted additional information regarding how to make, wear, and wash a cloth face covering at https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.htm.

A “business establishment” means a location with a roof overhead under which any business is conducted, goods are made or stored or processed, or where services are rendered. This exception does not apply to employees who are present in the kitchen or other food and beverage preparation area of a business establishment.

Section 5. Penalties and Enforcement.

Prior to the issuance of penalties as provided in subsection 5(c) of this Emergency Ordinance, the alleged violator shall be given an opportunity to voluntarily comply with the provisions of this Emergency Ordinance. In the event voluntary compliance is not achieved, then violation of this Emergency Ordinance, and any order issued pursuant hereto, shall be subject to the penalties as provided in subsection 5(c) of this Emergency Ordinance, or as otherwise provided by law.

Emergency Ordinance conflicts with or is superseded by a subsequently issued executive order of the Governor or of the President of the United States, such provision shall be deemed inapplicable and deemed to be severed from this Emergency Ordinance, with all remaining provisions of this Emergency Ordinance to remain in full force and effect.

Section 7. Severability. If any word, phrase, clause, section, or portion of this Emergency Ordinance is declared by any court of competent jurisdiction to be invalid, void, unconstitutional, or unenforceable, then all remaining provisions and portions of this Emergency Ordinance shall remain in full force and effect.

Section 8. Effective Date; Term. (b) The state of local emergency related to COVID-19 declared by the City of Ocala expires;
(c) The City Council specifically rescinds this Emergency Ordinance; or
